YEAR OF THE (WATER) SNAKE

Years: 1917, 1929, 1941, 1953, 1965, 1977, 1989, 2001, 2013

The Snake is the intuitive, introspective, refined and collected of the Animal Signs. They are attractive people who take cries with ease and do not become flustered easily. They are graceful people, exciting and dark at the same time.

Contemplative and private, Snakes are not outwardly emotional. The Snake is keen, quite intelligent and wise. They can appear cunning and reticent, and are good mediators, making them good at business. They may become quite possessive when they set their minds on achieving the interest of a partner.

ABOUT APIQWTC

Asian Pacific Islander Queer Women and Transgender Community was formed in 1999 as a means of linking various organizations of Bay Area API queer women. APIQWTC has continued the Banquet tradition handed on by preceding groups it arose from. Proceeds of the 2013 Banquet benefit the APIQWTC scholarships (see below), and our chosen beneficiary, **Asian Women's Shelter.** Your support also funds other APIQWTC activities, such as the summer BBQ, Pride, and other events. For more info see: www.apiqwtc.org.

APIQWTC SCHOLARSHIP

A portion of Banquet proceeds goes to the APIQWTC Scholarship fund to support queer API women and transgender people in their pursuit of technical/professional training or higher education. The scholarship aims to recognize active community members and encourage future leaders. The scholarship fund is strictly segregated from the APIQWTC general operating fund. For more info, contact Amy Sueyoshi at amy@apiqwtc.org.
